ETUCE acts as an agent for the interests of its member organisations towards the EU institutions in Brussels, and further seeks to promote and coordinate international cooperation among its member organisations. The fields of work for the Secretariat focuses on EU-level education and labour market policies in all education sectors in Europe. ETUCE is a European Social Partner and a European Trade Union Federation within the European Trade Union Confederation (ETUC). ETUCE is the European Region of Education International, the global trade union federation for education.
